

The WDK certificate stands for the highest quality and safety!

The tire is no longer just a piece of rubber.

It is a high-tech product, which has to meet the highest standards and demands.

- The WDK certificate is the HIGHEST label for tire mounting machines.
- The TW X-36 WDK is a tire mounting machine, of professional class, tested with the strictest WDK guidelines.
- Your advantage: You have the option to register as a certified WDK installer and show your customers that they could not be in better hands!

The correct way makes all the difference. Incorrect installation may subsequently lead to serious accidents.
